

Reason for Remote Meeting

To mitigate the spread of COVID-19, protect the public health, and provide essential protections to vulnerable persons, it is crucial that all persons take steps to limit in-person contact. These critical mitigation measures include social distancing and limiting the number of people interacting at public gatherings. Recently signed legislation (Senate Bill 1108) amended the Open Meetings Act to allow electronic meetings for any reason until the end of 2020, with certain restrictions. The White Lake Community Library must continue to conduct public business during the current pandemic, including actions to respond to COVID-19, and the general public must be able to continue to participate in government decision making without unduly compromising public health, safety, and welfare. For these reasons, the Library Board of Trustees October meeting will be held remotely.

Public Participation

The public is invited to join the remote meeting by clicking on the Zoom Invite below. Phone numbers are also provided if individuals do not have access to a computer or smart phone. The dial-in number will still require you to enter the meeting ID and password to join. All members of the public will be permitted to participate during the public comment portion of the meeting. Comments should be limited to five minutes of speaking or reading material.
