## **1001 Mission Statement**

The White Lake Community Library as a cultural destination will lead the community to the world's information and ideas and be the link for enrichment, entertainment and life-long learning.

## **1002 Library Bill of Rights**

The library endorses the Library Bill of Rights, which follows:

The American Library Association affirms that all libraries are forums for information and ideas and that the following basic policies should guide their services:

- I. Books and other library resources should be provided for the interest, Information and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background or views of those contributing to their creation.
- II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
- III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.
- V. A person's right to use a library should not be denied or abridged because of origin, age, background or views.
- VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

## **1003 Freedom to Read**

The library endorses the following Freedom to Read statement of the American Library Association

The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label "controversial" views, to distribute lists of "objectionable" books or authors and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to avoid the subversion of politics and the corruption of morals. We, as citizens

devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary citizen, by exercising critical judgment, will accept the good and reject the bad. The censors, public and private, assume that they should determine what is good and what is bad for their fellow citizens.

We trust Americans to recognize propaganda and misinformation and to make their own decisions about what they read and believe. We do not believe they need the help of censors to assist them in this task. We do not believe they are prepared to sacrifice their heritage of a free press in order to be "protected" against what others think may be bad for them. We believe they still favor free enterprise in ideas and expression.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary curtailment of expression by those who seek to avoid controversy.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension. Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy, diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended discussion that serious thought requires and to the accumulation of knowledge and ideas into organized collections.

We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of limiting the range and variety of inquiry and expression on which our democracy and our culture depend. We believe that every American community must jealously guard the freedom to publish and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings. The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

We therefore affirm these propositions:

1. It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox or unpopular with the majority.

Creative thought is by definition new, and what is new is different. The bearer of every thought is a rebel until that idea is refined and tested. Totalitarian systems attempt to maintain themselves in power by the ruthless suppression of any concept that challenges the established orthodoxy. The power of a democratic system to adapt to change is vastly strengthened by the freedom of its citizens to choose widely from among conflicting opinions offered freely to them. To stifle every nonconformist idea at birth would mark the end of the democratic process. Furthermore, only through the constant

activity of weighing and selecting can the democratic mind attain the strength demanded by times like these. We need to know not only what we believe but why we believe it.

2. Publishers, librarians and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral or aesthetic views as a standard for determining what should be published or circulated. Publishers and librarians serve the educational process by helping to make available knowledge and ideas required for the growth of the mind and the increase of learning. They do not foster education by imposing as mentors the patterns of their own thought. The people should have the freedom to read and consider a broader range of ideas than those that may be held by any single librarian or publisher or government or church. It is wrong that what one can read should be confined to what another thinks proper.

3. It is contrary to the public interest for publishers or librarians to bar access to writings on the basis of the personal history or political affiliations of the author.

No art or literature can flourish if it is to be measured by the political views or private lives of its creators. No society of free people can flourish that draws up lists of writers to whom it will not listen, whatever they may have to say.

4. There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.

To some, much of modern expression is shocking. But is not much of life itself shocking? We cut off literature at the source if we prevent writers from dealing with the stuff of life. Parents and teachers have a responsibility to prepare the young to meet the diversity of experiences in life to which they will be exposed, as they have a responsibility to help them learn to think critically for themselves. These are affirmative responsibilities, not to be discharged simply by preventing them from reading works for which they are not yet prepared. In these matters, values differ and values cannot be legislated; nor can machinery be devised that will suit the demands of one group without limiting the freedom of others.

5. It is not in the public interest to force a reader to accept with any expression the prejudgment of a label characterizing it or its author as subversive or dangerous.

The ideal of labeling presupposes the existence of individuals or groups with wisdom to determine by authority what is good or bad for the citizen. It presupposes that individuals must be directed in making up their minds about the ideas they examine. But Americans do not need others to do their thinking for them.

6. It is the responsibility of publishers and librarians, as guardians of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large.

It is inevitable in the give and take of the democratic process that the political, the moral or the aesthetic concepts of an individual or group will occasionally collide with those of another individual or group. In a free society, individuals are free to determine what it will recommend to its freely associated members. But no group has the right to take the law into its own hands, and to impose its own concept of politics or morality upon other members of a democratic society. Freedom is no freedom if it is accorded only to the accepted and the inoffensive.

7. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression. By the exercise of this affirmative responsibility, they can demonstrate that the answer to a "bad" book is a good one; the answer to a "bad" idea is a good one.

The freedom to read is of little consequence when the reader cannot obtain matter fit for that reader's purpose. What is needed is not only the absence of restraint, but the positive provision of opportunity for the people to read the best that has been thought and said. Books are the major channel by which the intellectual inheritance is handed down and the principal means of its testing and growth. The defense of the freedom to read requires of all publishers and librarians the utmost of their faculties and deserves of all citizens the fullest of their support.

We state these propositions neither lightly nor as easy generalizations. We here stake out a lofty claim for the value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness, worthy of cherishing and keeping free. We realize that the application of these propositions may mean the dissemination of ideas and manners of expression that are repugnant to many persons. We do not state these propositions in the comfortable belief that what people read is unimportant. We believe rather that what people read is deeply important; that ideas can be dangerous; but that the suppression of ideas is fatal to a democratic society. Freedom itself is a dangerous way of life, but it is ours.

Adopted June 25, 1953; revised January 28, 1972, January 16, 1991, July 12, 2000 , by the ALA Council and the AAP Freedom to Read Committee.

## **1004 Relationship to Friends of the Library**

The library recognizes the value, importance and considerable assets of the Friends of the Library or other groups that may, from time to time, emerge in support of the library's mission. The library board welcomes and supports such initiatives for the service of this community.

The purposes of the Friends or other support groups are as follows:

1. To solicit and appeal for funds to support the White Lake Community Library to provide extra opportunities for the improvement or benefit of the library over and above those already provided to meet the general operating needs of the library.
2. To work with the library to secure additional resources in program, projects, special collections, or events which enhance the cultural, literary and aesthetic aspects of the library.
3. To maintain autonomy in governance and direction in support of the library and to maintain communication with the library director in fostering these ends.

The Friends or other such advisory groups are intended to enjoy genuine operational autonomy while working in partnership with the library. It is recognized that in using the name of the library or any of its programs, the Friends or other organizations derive an identity from the library itself and as such share the responsibility with the board of the library for the welfare of the library. Further, the board must remain accountable to the public and maintain its responsibility for the over-all direction of the library and any organization acting in its name. If circumstances warrant, it may be required that the board withdraw its sponsorship from an organization for violation of community trust or for acting in any way that does not carry out the mission of the library.

director when it begins and thereafter operates in a manner consistent with public expectations of the library, and in direct communication with the director.

The library board pledges its support and applauds the volunteer efforts of the White Lake citizens who seek to enhance the mission of cultural and literary goals of the community. It further welcomes the Friends of the Library in this policy. The board directs that it will cooperate and maintain communications with the Friends of the Library and other such approved organizations.

## **1005 Relationship to Other Libraries**

The White Lake Community Library is a member of the Lakeland Library Cooperative, a public library consortium of libraries in Allegan, Barry, Ionia, Kent, Montcalm, Muskegon, Newaygo and Ottawa counties, meeting the following requirements:

- 1) maintaining a minimum local support level of 3/10 of a mill on taxable value, in the fiscal year before October 1 of the year before distribution;
- 2) participating in the development of cooperative library plans;
- 3) loaning materials to other libraries participating in Lakeland Library Cooperative;
- 4) maintain an open-door policy to other residents of the state as provided in the 1963 State Constitution.

The library participates in reciprocal borrowing with other cooperative members and encourages the use of its facilities and resources for residents of other member libraries' service areas.

The library does not participate in MichiCard, a statewide program allowing for customers of participating libraries to use their MichiCard to borrow materials from the collections of other MichiCard participating libraries.

The cooperative provides services to member libraries directly or through written contract. The following are basic services, for which there may or may not be fees levied to member libraries:

- 1) automated shared database and circulation system;
- 2) delivery system between member libraries so that each library receives delivery at least 3 days per week.

The cooperative also provides technical support, continuing education opportunities, consultant services and professional collection, web site assistance, and centralized purchasing operations

## **2000 Circulation Policy**

### **2001 Confidentiality of Customer Records**

The White Lake Community Library respects the privacy of card owners to the fullest extent permitted by law. It will not disclose to anyone other than the card owner or the person liable (for example, a parent or legal guardian) information on the items requested, obtained or borrowed from this library or any other library, without an appropriate court or agency order or warrant.

The Michigan Library Privacy Act prohibits disclosure to all third parties, except as provided in MCL 397.603 (2), which states "Unless ordered by a court after giving the affected library notice of the request and an opportunity to be heard on the request, a library or an employee or agent of a library shall not release or disclose a library record or portion of a library record to a person without the written consent of the person liable for payment for or return of the materials identified in that library record." In addition, and in certain circumstances, the US Patriot Act, P.L. 107-56, supersedes the Michigan Library Privacy Act and disclosure of library records is mandatory pursuant to an appropriate federal agency order or warrant. Such federal order or warrant may also require the library to refrain from notifying the customer of the disclosure.

The White Lake Community Library shall not release another Lakeland Library Cooperative member library's records to any third party, except as provided above. The customer records of the White Lake Community Library belong to the Library.

As a member of the Lakeland Library Cooperative, the Library's policy shall at a minimum meet the requirements of the Cooperative's Confidentiality of Customer Records policy. The Cooperative serves as a resource for these issues. The Library is responsible for training and equipping its staff to deal with confidentiality issues.

### **2002 Account Registration**

#### **2002.1 General Borrowing Privileges**

A valid library account is required in order to borrow materials from the White Lake Community Library, and the library card must be presented at the time of check-out. As a courtesy, cardholders may checkout without their library card once within a 12-month period, with appropriate identification.

Cardholders are responsible for all use made of their library cards and agree to abide by all policies of the library in using their library cards. It is the responsibility of the cardholder to notify the library of change of address, name, or phone number.

#### **2002.2 Resident Borrower Registration**

Residents within the legal service area of the library are eligible to register for a free library card.

Muskegon County residents within the legal service areas of Hackley Public Library and Muskegon Area District Library are also eligible to register at the White Lake Community Library, and will be issued the appropriate card according to their address.

Persons who reside outside Muskegon County, but within the Lakeland Library Cooperative boundaries, must obtain a library card at their home library. That card may then be used at the White Lake Community

Library.

Anyone whose primary residence is outside the Lakeland service area boundaries but who owns property within the cooperative boundaries may receive a permanent library card. To do so, they must present a tax bill verifying that they own property within the library boundaries or in Muskegon County. A picture ID with their winter address will also be required.

The library participates in the Visiting Patron service through MeL. Anyone with a valid library card from another participating library in Michigan may use their card to borrow books only, according to MeL guidelines.

### **2002.3 Registration Requirements**

Persons registering for a library card must complete an application form and verify both their identity and their place of residence. Preferred identification is a current Michigan driver's license or Michigan identification card. Alternatively, a photo ID such as an out-of-state license, passport, work badge, or student ID may be used in combination with a proof of address such as a property tax bill, utility bill, vehicle registration, or personal check.

Persons under the age of 18 must have a parent's or legal guardian's signature and identification of the responsible adult as described above. Both the child and the parent or legal guardian must be present to issue the card.

A resident with insufficient documentation for a regular card under this policy may be issued a limited, local-use only card that is valid for 6 months. It allows up to 3 checkouts at a time and includes access to the library's digital collections.

### **2002.4 Non-Resident Cards**

As a member of the Lakeland Library Cooperative, the library must abide by the cooperative's policy regarding the issuing of cards to non-residents. The cooperative's policy defines a non-resident as one living outside of the legal or contract service area of a Lakeland member library participating in the shared system.

In accordance with the Lakeland Library Cooperative policies, the White Lake Community Library may issue non-resident cards to individuals who do not reside within the legal or contract service area of any Lakeland member library. Non-resident cardholders may borrow most items owned by the White Lake Community Library, but are not eligible to use their cards at other libraries or to place holds on items owned by other libraries.

Two types of non-resident cards are available for purchase as follows:

- **Physical Item Only Cards** cost \$25 and are valid for one year from the date of purchase. They can be used to borrow most items in the library's collection such as books, movies, and magazines. They cannot be used to borrow electronic devices such as hotspots and laptops.
- **Digital Access Cards** cost \$100 and are valid for one year from the date of purchase. They can be used for physical items as outlined above, and can also be used to access the library's digital collections. Individuals have the option to purchase a short-term full access card for \$25 that is valid for three months from the date of purchase.

### **2002.5 School of Choice Students** *(Updated 1-27-2016)*

For students who have the Whitehall schools as their "School of Choice" but who do not live in the Lakeland service area and do not live within the Whitehall School District, the Library will issue, to the

student only, a non-resident digital access library card upon presentation of their Whitehall school ID or proof from the school that they attend Whitehall schools. The non-resident card fees will be waived for the student and cards will be valid for one year, renewed annually while the student is still enrolled. A message will be placed on the student's record stating they were given the card and the fee was waived along with the date and initials of issuing staff member.

## **2003 Borrowing Policies**

### **2003.1 Checkout periods**

The following checkout periods are in effect:

- Up to 16 weeks for designated semester-loan laptops, tablets and hotspots
- 3 weeks for all books, CDs (music and audiobook), kits, and regular laptops and hotspots
- 1 week for all DVDs and magazines

### **2003.2 Renewals**

Most library materials may be renewed up to two times, for the same period as the original loan.

Eligible items will be renewed automatically three days prior to the due date. Renewals may also be made in person, by telephone or online.

Items are not eligible for renewal if another patron has placed a hold on the material; there are more than \$10 in fines or fees on the cardholder's account; or the item type is non-renewable.

### **2003.3 Overdue Materials** (Updated July 2019, February 2021 and May 2022)

It is the policy of the library to not assess overdue fines on any materials owned by the library. Borrowers may still be subject to overdue fines assessed on items belonging to other libraries, according to the policy of the owning library.

Customers may elect to receive notices about overdue materials by phone, text, email, or a combination of these options. At a minimum, notification is made when materials are one week overdue. If the item has not been returned after 3 weeks, the customer will be billed for the cost of the item. Patrons not receiving email notices will be sent a paper copy of the bill.

After 63 days, customers with at least one long-overdue item and \$80.00 or more in unpaid charges will be sent to Unique Management Services, Inc., according to Lakeland Library Cooperative policy. A \$9.85 processing charge from Unique will be added to the customer's account.

When a customer's unpaid charges exceed \$10.00, no further materials may be checked out until the amount owed is reduced to \$10 or below. Customers may set up a payment plan to be approved by the circulation manager or assistant director. Customers who are on a payment plan may not check out materials until their fines are at or below the \$10.00 limit.

See Appendix A, Payment Plan

### **2003.4 Bankruptcy** (added 11-21-18)

When a patron who owes fines and/or fees goes through bankruptcy and produces the declaratory judgement from a bankruptcy magistrate, the library must forgive the fines and/or fees and allow the patron service. If prior to the declaratory judgment the patron had failed to return library material, the library may limit the patron's borrowing privileges until the missing library material is returned. If the

patron accumulates new fines and/or fees or fails to return library material, the library may also limit the patron's future borrowing privileges.

### **2003.5 Claims-Returned Items**

Claims returned status may be placed on items that the library is unable to find and the customer is certain have been returned. A customer is allowed a maximum of *three claims-returned* items on their library card in a one-year period. A *claims-returned* status on the library card means that the customer is not responsible for payment of the missing items. A message on the customer's card will indicate if there is a *claims-returned* item.

### **2003.6 Lost or Damaged Materials** (revised 2-25-2015; 4-26-2017; 7-24-19)

Customers are responsible for all items checked out on their library cards. Customers will be charged the full replacement cost for any item that is lost or so badly damaged it cannot be used. Nominal fees will be charged for damage such as a missing barcode or torn pages.

When lost materials are paid for, the library issues a receipt. Should the customer find and return the item within three months, reimbursement of the price of the item will be given to the customer. For items belonging to other libraries, the patron is subject to the refund policy of the owning library.

Fines and fees for damaged or lost electronic devices are spelled out in the User Agreement for these items. See Appendix H, User Agreement

The library is not responsible for damages incurred to the customer's own equipment during the use of library-owned materials.

### **2003.7 Deposit on Headphones for Internet Use** (Updated July 2019)

Customers wishing to use library headphones at the Internet computers will be required to leave a school ID, library card, driver's license or other item as a deposit at the circulation desk.

### **2003.8 Non-circulating Materials** (Updated July 2019)

The following materials are among the library resources that do not circulate outside the library. They must be used in the library.

- Reference books
- Archived newspapers
- Local history materials
- Most children's equipment and toys
- Meeting room equipment
- Library furniture

Customers desiring to use irreplaceable non-circulating materials such as local history materials, yearbooks and newspapers on microfilm and CD will be required to fill out a release form.

See In-Library Use Form, Appendix B.

Damage or loss will be considered as vandalism and reported to the proper authorities. (See also 4004.)

### **2003.9 Holds** (Updated July 2019)

Materials owned by the library or other libraries in the Lakeland Library Cooperative may be placed on hold, with the exception of new books (owned for 6 months or less). This library's new books may be placed on hold by White Lake Community Library customers with SW as their home library.

Holds may be placed by customers in person, by telephone or on-line. Customers are notified when items arrive. Notification may be by automated phone call, email, or text message. Customers are encouraged to sign up for e-mail notification through the library's website, wlclib.org, and/or to register for text notification.

White Lake customers are able to designate any Muskegon Area Library branch, Hackley Public Library, or White Lake Community Library as their home library. Holds must be picked up at their home library.

### **2003.10 Circulating Devices**

Persons wishing to borrow a laptop, hotspot, or other internet device must:

- Be at least 18 years old
- Have a White Lake Community Library card in good standing (unexpired, no more than \$10 in fines/fees)
- Show a valid driver's license or state I.D.
- Have a User Agreement on file (Appendix H) signed within the last year

The library director or assistant director may, under compelling circumstances, waive the policy in order to allow a local resident with a Muskegon Area District Library card or non-resident card to borrow a laptop, hotspot, or other device. Only adults 18 and over may check out laptops, hotspots and semester-loan tablets.

The library has received funding from the Emergency Connectivity Fund (ECF) to purchase certain laptops, hotspots, and tablets. And ECF-supported equipment and services can only be provided to patrons who declare they do not have access to the equipment or services sufficient to access the internet.

The Library may provide a standard form for an appeal.
2. An appeal must be filed with the Library Director within five (5) business days of receiving notification of the suspension or termination.

3. Upon the proper filing of an appeal, the Library Board will hear the appeal at the next regularly scheduled board meeting and render a final decision.

### **3005 Safety and Well-Being of Children**

The library encourages children to visit the library and feels that children need to see that the library is an enjoyable place to visit from the time they are very young. Because of this, it is our desire to make the child's visits to the library both anticipated and memorable.

The library staff is not expected to assume responsibility for the care of unsupervised children or teens in the library. Children 6 years or under must be accompanied by a parent or designated person responsible for the child's behavior and welfare while in the library.

If a child is in the library at closing time, staff on duty will call the child's home and wait in the library until the child is picked up. Staff will not take the child away from the library grounds.

If no one responsible for the child can be located within 15 minutes after closing, the Whitehall Police will be notified to take custody of the child and a note will be left on the library door notifying the parents or guardians of the child's location.

### **3007 Health Emergencies**

In the event of a serious health problem of a customer, the library staff will notify the rescue squad/police. No medication, including aspirin, will be dispensed to the public. Staff will gather information regarding the customer and the nature of the emergency from the person or family member for completion of a personal injury form.

See Appendix C - Personal Injury/Incident Form

### **3008 Public Internet Access** *(revised 2-25-2015; 12-19-2018; September 2020)*

The mission of the White Lake Community Library is to serve as an information center by providing pertinent and high interest materials for adults and children in a variety of formats, including online resources. Making Internet access available to the area by encouraging computer use by area residents supporting research and education through the use of computer technology is a vital part of this mission statement.

The library staff will provide limited assistance to those customers who have never used the Internet or for those who have specific questions regarding the Internet. Staff is not responsible for providing training beyond this level. Since staff is not expected to be familiar with numerous Internet sites, it is up to the users to gain familiarity with applications through books, videos and related materials. Any equipment problems should be reported to staff immediately.

Customers are free to access a variety of Internet sites and must take responsibility for their activities. The White Lake Community Library has no control over the Internet and does not assume responsibility for the quality, accuracy or currency of any Internet resource. Customers will be advised that the White Lake

Community Library employs filtering software on the Internet server and subscribes to the American Library Association Resolution On the Filtering Software in Libraries adopted on July 2, 1997, which can be viewed on the ALA website: <http://www.ala.org/advocacy/intfreedom/filteringstatement1997>.

Neither the White Lake Community Library board members or staff shall be liable for any damages (direct or consequential), including lost profits, for any information obtained or provided on the Internet. Users would be well advised to evaluate Internet sources in the same way as they would evaluate printed sources and question the validity of information provided.

**Customers shall not access, produce or distribute obscene materials.** It is the responsibility of library staff to respect the rights of other library users, and they reserve the right to end an Internet session at any time if they believe that the viewing of particular materials is improper or inappropriate as to time, place or manner.

"Obscene" means any material that meets **all** of the following criteria:

- a) The average individual, applying contemporary community standards, would find the material, taken as a whole, appeals to a shameful or morbid interest in nudity, sex, or excretion.
- b) The reasonable person would find the material, taken as a whole, lacks serious literary, artistic, political, or scientific value.
- c) The material depicts or describes sexual conduct in a patently offensive way.

To properly manage the use of computer equipment, the White Lake Community Library Board has adopted the following rules and regulations, and has entrusted the library staff with the responsibility of enforcing these regulations. Customers who violate these rules and responsibilities will be denied access to the equipment, as designated by the Library Director.

Internet access may only be used for legal and ethical purposes. Unacceptable purposes include, but are not limited to: accessing, producing or distributing obscene materials, harassment of other users; libeling or slandering other users, destruction of or damage to equipment, software or data belonging to the library; disruption or unauthorized monitoring of electronic communications; unauthorized copying of copyright-protected materials; using the library's Internet resources to conduct a business or commercial enterprise; engaging in commercial activity such as the distribution of advertising; hacking or other unlawful uses. Any violation shall result in the immediate loss of access and unlawful activities will be reported to the proper authorities.

Laptop and desktop computers are available for use by patrons as follows:

Desktop computers are available for use by anyone. Customers may sign up to use a workstation for an initial period of 30 minutes. This may be extended to a second 30-minute period if no one is waiting to use the computer. Customers are limited to one hour of total workstation use per day. Children under the age of 10 must have direct supervision by a responsible adult at all times while accessing the Internet on desktop computers.

A person over the age of 18 without a valid White Lake Community Library card may borrow a laptop for use only on library premises by signing a user agreement and providing a valid driver's license or state ID to be held as collateral while the device is in their possession.

For information about borrowing devices for at-home internet access, see **Circulation Policy 2003.5 - Circulating Devices**.

Library staff reserves the right to monitor computer use by children as well as adults and to end Internet sessions for the reasons previously noted. Individuals may not use personal software on library-owned computers, nor remove library-owned peripheral devices from the computers. No modification of the system may be made by customers.

Users assume all responsibility for computer software and hardware during use. Problems should be reported to the staff at once.

### Wireless Internet

The White Lake Community Library also offers free public Internet access for persons with laptops and other internet-ready devices.

This service, which allows individuals to connect to the internet from White Lake Community Library using their own equipment, uses the Library's network resources. Anyone using the Library's wireless service must abide by the Library's internet policy. Users who violate the terms of this policy or other library policies or who use the network for abusive, malicious or illegal activity will be banned from the network and may be subject to prosecution.

Please note that the Library cannot accept the liability of handling your equipment

As with most public wireless access, the Library's wireless connection is not secure. There can be unreliable parties between you and anybody with whom you communicate, and any information being transmitted could potentially be intercepted by another wireless user. Cautious and informed wireless users should choose not to transmit personal information (credit card numbers, passwords and any other sensitive information) while using any wireless "hot spot." Please take appropriate precautions when using this service.

The library will not be responsible for any personal information that is compromised, or for any damage caused to your hardware or software due to electric surges, security issues or consequences caused by viruses or hacking.

The White Lake Community Library makes no warranties of any kind, whether expressed or implied, for the wireless internet service provided.

### Copyright

U.S. copyright law (title 17, U.S. Code) prohibits the unauthorized reproduction or distribution of copyrighted materials, except as permitted by the principles of "fair use." Users may not copy or distribute electronic materials (including electronic mail, text, images, programs or data) without the explicit permission of the copyright holder. Responsibility for any consequences of copyright infringement lies with the user. The library expressly disclaims any liability or responsibility resulting from such use.

## **3011 Display Spaces**

The library has display spaces which organizations or individuals may use from time to time. The library reserves the right to approve exhibits placed in its display areas. The library disclaims responsibility for loss or damage during the time the display is set up, displayed, or removed from the library. A Display Spaces Release Form must be filled out and approved for materials to be displayed.

See Appendix D - Display Space Release

### **3011.1 Public Bulletin Board Policy** *(revised 2-25-2015)*

Individuals and groups are invited to inquire about using bulletin board space in the White Lake Community Library for educational, cultural, charitable, governmental, and civic purposes. Posting of informational materials by the Library does not constitute endorsement of the beliefs or policies of the sponsoring group.

1. Materials accepted for posting should be no larger than 8.5" x 11".
2. Materials accepted for posting shall be displayed for a time not to exceed 14 days prior to a specific event.
3. Library related information or publicity for library-sponsored events will be given priority for posting should space become limited.
4. All materials posted become the property of the Library unless other prior arrangements have been made.
5. All materials submitted for posting are subject to the review and approval of the Library Director or designee.
6. The library does not advocate or endorse the viewpoints, beliefs, or activities of any organization or event that is publicized on the public bulletin board.
7. The library may, from time to time, post items that it feels are of general interest to its patrons. The library will not post items that promote private business and reserves the right to choose.

### **3012 Tours and Class Visits**

Tours and classroom visits must be prescheduled with the library director or youth services librarian. Teachers are responsible for children while they are in the building or on the library grounds.

### **3013 Disaster and Emergency Preparedness**

The library's emergency plan is a separate document and was adopted by the board in November, and an update on fire preparedness was approved by the board in April, 2005. A copy of the emergency plan is in the staff work area by the cash register.

The library also maintains a separate document for Pandemic Preparedness and Response. The policy and its related re-opening plan can be found on the website and in a binder in the staff area. The Preparedness and Response policy was approved by the board in May, 2020.

### **3014 Printer/Copier** *(updated September 2020)*

A printer/copier is provided for the convenience of library customers. Charges are \$.15 per page side for black and white and \$.25 per page side for color. There is no charge for scanning documents and sending to an email address. Staff will assist customers with printing and making copies as time allows.

The Friends of the Library group may use this copier if they choose. Copies made by the Friends Groups will be charged the price the library pays through its copier lease contract.

### **3015 Meeting Room and Legacy Room Use** *(revised 11-18-2015; 4-27-2016)*

The library welcomes the use of its meeting room for activities which reflect the library's mission. Reservations for each room are accepted on a first come, first served basis. Scheduling preference is given to any library-sponsored program. The meeting room holds approximately 82 people. The Legacy Room holds 15.

Use of the rooms must be open to the public, with the exception of companies who use our room for trainings where the meeting is not open to the public. They must be used during regular library hours, or, for an additional fee as provided below, during hours before or after the library opens (but not before 7 a.m. or later than one-half hour after closing). The rooms are not available on days that the library is closed. The use of the rooms shall not produce excessive noise or otherwise interfere with or disrupt the Library's operation or the quiet use and enjoyment of the Library by patrons.

Smoking, open flames of any kind or melted wax, alcoholic beverages, gambling, and the use of hazardous materials are not allowed. All groups using the rooms must comply with local and state laws and regulations.

The rooms are reserved for use by educational, civic, cultural, intellectual, governmental, political, religious, charitable or other nonprofit groups or organizations for noncommercial and nonprofit purposes and by other groups or organizations for educational purposes such as seminars or training programs. No group or organization will be excluded based on their affiliations or beliefs. Permissions granted for the use of the rooms does not imply an endorsement of the user or the user's beliefs by the Library Board or staff members, and no group or organization shall state or imply in its publicity that the Library sponsors or endorses the meeting, the group or organization, or any particular set of ideas. Groups or organizations may not use the library's name or address as their own address or location.

Commercial sales and promotion of businesses are prohibited. However, the Library reserves the right to use the meeting room for fundraising activities for the benefit of the Library. Use of the rooms for private social events such as parties, receptions, family reunions, showers and similar functions are also prohibited.

Admission fees for activities in the rooms may not be charged, but a fee for supplies used in conjunction with a workshop may be charged. Voluntary donations may be solicited, but those choosing not to donate shall not be denied admission or participation in the meeting or event.

Groups or organizations using the rooms agree to indemnify and hold the library harmless from any and all suits, actions, claims, liabilities or demands of any nature arising or resulting from use of the building or portion thereof and its premises, and the library assumes no obligation respecting use of the building by the user. Cost of damages to the building, furnishings and equipment beyond normal wear must be paid by the group or individual using the building at the time damage occurs. Groups or organizations assume full responsibility for providing and paying for special accommodations that are requested by participants in accordance with the Americans with Disabilities Act.

Application for permission to use either room is made to the Library Director or his/her designee on the prescribed forms. The application must be signed by the local head of the group requesting to use the room and the authorized person in charge of the activity. If the Library Director denies the application for failure to conform to this policy, the applicant may submit a written appeal to the Library Board within five (5) business days of the Library Director's decision. The decision of the Library Board, on a timely written appeal, shall be final.

The booking calendar runs from January 1 through December 31. The rooms may be booked not more than six (6) months in advance. In order to accommodate public demand for use of the rooms, weekly or bi-weekly events scheduled by the same party are limited to not more than 6 consecutive months and use by a single group or organization may not exceed a total of 12 meetings per calendar year. The library has the right to cancel any use of the meeting room and to suspend or terminate future use of the meeting room by any group or organization that violates this meeting room policy or violates other library rules and regulations. The Library reserves the right to cancel use of the meeting room due to inclement weather or other closures of the Library building. The library must be notified by the renting group 24 hours in advance if cancellation of a meeting becomes necessary. Failure to notify the library of a cancellation may result in forfeiture of the deposit. No group or organization may assign or transfer the use of the meeting room to another group or organization.

The kitchen facility may be used to serve light refreshments. The kitchen and rooms must be clean and in the order found. If the facility is not left clean, there will be an additional custodial charge. Furniture and equipment may not be moved without prior permission. Library facilities may not be altered in any way, including fixing signage, posters, streamers, balloons, etc., to walls, furniture, or blinds. Items belonging to the renter may not be stored at the library. Equipment of any kind not provided by the Library may not be used without the prior written approval of the Library Director or his/her designee.

### **RULES AND REGULATIONS**

Programs sponsored by the Library and/or Friends of the Library may use the library during regular library hours at no charge.

Not-for-profit groups or organizations based within the library district as well as the constituent governmental entities of the Library (City of Whitehall, Whitehall Township, Fruitland Township, and Whitehall District Schools) and their boards, commissions, and agencies may use the facility during regular library hours at no charge.

All other Meeting Room reservations must be accompanied by a \$15 deposit (\$10 deposit for the Legacy Room), which will be applied to the rental. Invoices for meeting room use will be sent at the end of each month or quarterly. If payment is not made within 30 days of the invoice date, a late fee of \$10 will be charged.

Rate for meeting room during regular library hours	\$15 per hour
Rate for Friends' Legacy Room during regular library hours	\$10 per hour
Rate for combined areas during regular library hours	\$25 per hour
Additional charge for use outside normal hours	\$20 per hour

See Appendix E - Meeting Room Use Application Form

### **3017 Overnight Parking**

The library's driveway is open 24 hours a day to allow people to return materials at their convenience, or to access the Wi-Fi signal. However, overnight parking in the parking lot is prohibited. A "no overnight parking" sign in the library's driveway alerts motorists to the City of Whitehall's parking ordinance restricting overnight parking. Since the library is located within the City of Whitehall, this ordinance may be enforced on library property. Violators may be ticketed for a civil infraction, resulting in a fine. If the vehicle is not moved within 48 hours, it is considered abandoned and subject to impoundment at the owner's expense.

# 4000 Library Collection and Services

## 4001 Materials Selection

### 4001.1 Introduction

The purpose of the Materials Selection policy is to guide library staff in building and maintaining the library collection and to inform the public about the principles upon which selections are made.

The word *materials* includes all circulating and reference materials such as books, magazines, newspapers, pamphlets, video recordings, audio recordings, e-resources, Library of Things items, programming, and digital devices.

The word *selection* refers to both the acquisition of new material for the collection and the retention of materials already in the collection.

### 4001.2 Goals of Materials Selection

- A. To meet the information needs of individuals through maintenance of a well-balanced and broad collection of materials for information, reference and research.
- B. To help individuals attain maximum self-development through life-long intellectual and cultural growth.
- C. To support the democratic process by providing materials for the education and enlightenment of the community.
- D. To assist individuals in their pursuit of occupational activities and practical affairs.
- E. To provide diverse recreational experiences for individuals and groups.
- F. To assist institutions of formal education with services that will assist individual study.
- G. To maintain Michigan and local history collections.

### 4001.3 Responsibility for Selection

Final responsibility for materials selection is vested in the Library Director by authority of the Board of Trustees. Direct responsibility for the selection, maintenance, re-evaluation, and withdrawal of materials is delegated to professional librarians and staff.

### 4001.4 General Principles

- A. Selection of Library Materials is based on the relationship of such work to the needs, interests and demands of the community. Basic to this policy is the Library Bill of Rights and the Freedom to Read Statement of the American Library Association to which this Library subscribes. Selection is not made on the basis of anticipated approval or disapproval by patrons or Library users, but solely on the merits of a work, without regard to the race, nationality, political or religious view of the writer.
- B. Responsibility for the reading matter of children rests with their parents or legal guardians. Selection shall not be inhibited solely by the possibility that books may inadvertently come into the possession of children. The library respects the right of parents and guardians to supervise or restrict their children's choices of reading materials. However, the library does not have the right to act in loco parentis (in place of the parent). A parent or guardian who chooses to restrict the materials his/her children select should so advise their children or accompany them when they use the collection.
- C. Library materials will not be marked or identified to show approval or disapproval of

contents, and no catalogued book or other item will be sequestered, except for the express purpose of protecting it from injury or theft. The use of rare and scholarly items of great value may be controlled to the extent required to preserve them from harm, but no further.

- D. It is the responsibility of the Library to provide circulating, reference and research materials for the general public and the student based on the services it is expected to perform.

#### **4001.5 Specific Principles**

The following principles, individually or collectively, will prevail in the selection of all library materials. The total collection will attempt to represent opposing points of view.

- Contemporary significance or permanent value
- Accuracy
- Lack of bias, factual
- Diversity of viewpoint
- Sensitive portrayal of issues
- Authority of author
- Relation of work to existing collection
- Price, format and ease of use
- Scarcity of information in subject area
- Available shelf or storage space
- Availability of material through inter-library loan
- Popular demand
- Collection objectives
- Community relevance
- Audience for material

### **4002 Gifts**

#### **4002.1 Gifts of Materials**

The library welcomes gifts of materials for its collection. Acceptance of gifts shall be governed by the same principles and criteria applied to the selection of items for purchase. Gifts of books or other materials which do not comply with the library's objectives and policies will be refused. All gifts and donated materials (including works of local authors) become the property of the library. The manner of disposition of any materials which are not added to the collection will be decided by the library. No conditions may be imposed relating to any gift either prior to or after its acceptance by the library.

The library will furnish the donor, upon request, with a dated receipt signed by the librarian stating only the total number of items donated and their general condition. The library does not assume responsibility for determining the value of donations.

#### **4002.2 Monetary Gifts for Materials**

The library welcomes monetary donations for the collection, including memorial and honorary donations. The staff will work with the donor to select titles that are suitable to the donor and in keeping with the interests of the person being honored. Letters of acknowledgment are sent to the donor and to the family of the person being honored. The book(s) will be marked with a suitable bookplate.

### **4003 Collection Maintenance**

The collection shall be periodically examined by staff for the purpose of removing obsolete, damaged, duplicate or unneeded materials, and for binding or repair of materials, in order to maintain a balanced, attractive, and useful collection.

### **4004 Challenges to Materials**

No material shall be removed from the Library's collection until all applicable steps in the following process have been completed.

- a. Patrons ("Requester") who object to Library Materials will be asked to speak with the Director. The Director will discuss the Library Materials in question with the Requester, attempting to resolve the concern to both the Requester's and Library's satisfaction.
- b. Patrons who wish to register a formal complaint about a particular item in the library may do so by submitting a "Request for Reconsideration of Library Materials" form to the library director. (See Appendix F)
- c. Upon receipt of a signed request, the Library Director shall review the challenge in light of the materials selection policies. This may be done in consultation with staff or other outside sources. The Library Director's decision shall be provided in writing to the complainant within 60 days of the receipt of the completed Request for Reconsideration form.
- d. A written appeal of the Library Director's decision may be made by the requester to the Chair of the Library Board within ten (10) business days after the written decision is made by the Library Director. The Library Board will review any documentation it deems necessary and render its decision within 60 days of receipt of the appeal. The requester shall be notified in writing of the Library Board's decision.
- e. The Library Board serves as the final authority in cases involving retention or withdrawal of Library Materials.

### **4005 Reference & Research**

Patrons' questions will receive courteous and prompt responses to the best of staff's ability, with complete confidentiality. In the case of legal, medical, investment, or tax reference questions, staff may only guide the patron to the available materials on the topic of interest. Staff may not evaluate or interpret the information, define terms, offer investment advice, select income tax forms, or serve as surrogate for a professional in any above-mentioned field. Patrons will be advised to consult with a professional for additional information or advice.

### **4006 Special Collections**

The library collection includes materials on the history of the White Lake area which are available to patrons for in-library use only. These materials are stored securely and available only by request due to their irreplaceable nature.

## **4007 Programming Policy**

### **4007.1 Introduction**

The White Lake Community Library (“Library”) supports its mission of serving as a link for enrichment, entertainment and lifelong learning for our community. Programming is an integral component of Library service that:

- Expands the Library’s role as a community resource
- Introduces patrons and non-users to Library services
- Provides entertainment
- Provides opportunities for learning
- Expands the visibility of the Library
- Furthers the mission of the Library

### **4007.2 Program Determination**

Ultimate responsibility for programming at the Library rests with the Library Director, who administers under the authority of White Lake Community Library Board (“Library Board”). The Library Director, in turn, delegates the authority for approved program management to the Program Coordinators, who oversee this responsibility through delegation to designated staff. The Library Director has the discretion to determine which programs the Library shall sponsor or co-sponsor.

### **4007.3 Criteria for Programs**

Library staff plans and develops programs for the community based on relevance to community interests and issues, popular appeal, the mission of the Library and suitability for general or targeted audiences.

Program presenters are chosen for their expertise and public performance experience.

The Library does not plan programs or classes that are commercial in nature. Although a professional or businessperson may be invited to speak, the purpose of the program is to educate, inform, or entertain and otherwise further the Library's mission. Programs are not designed for commercial purposes or for the solicitation of business.

### **4007.4 Co-Sponsorship of Programs**

The Library may co-sponsor programs with other persons, agencies, organizations, and institutions. The Library Director has the sole discretion to determine whether to co-sponsor a program according to the criteria set forth in this Programming Policy. If the Library desires to co-sponsor a Library program, these individual or organizational partners must coordinate marketing efforts with the Library’s Assistant Director/Program Coordinator. No co-sponsor may use the Library's name in any marketing material without prior approval of the Library Director. If a person or organization desires to co-sponsor a program, the person or organization shall make such request in writing to the Library Director.

### **4007.5 Non-discrimination**

The Library does not discriminate in its programs. Library sponsorship or co-sponsorship of a program does not constitute endorsement of the content or the views expressed by the presenter or the participants. Program topics, speakers, and resources are not excluded from programs because of possible controversy, and the Library will strive to offer multiple viewpoints.

### **4007.6 Program Attendance**

Library programs and classes are open to the public; however, due to the nature of certain programs, attendance may be limited. For example, some children's programs may be limited based on age.

Further, attendance may be limited based on the occupancy permitted in the room. When occupancy limits must be established, advanced registration may be required. In the cases where advanced registration is not required, the Library may limit the number of people that may attend any program at the door. Attendance will be determined on a first come, first served basis, either with advanced registration or at the door.

Generally, Library programs are free; however, some classes or programs may require a nominal materials fee or require a ticket to be purchased.

#### **4007.7 Library Staff**

Library staff members who present programs or classes do so as part of their regular job and are not hired as outside contractors.

#### **4007.8 Programming Concerns**

The Library welcomes expressions of opinion from patrons concerning programming. If a patron questions a Library program, he/she should first address the concern with the Library Director. Patrons who wish to continue their request for review of Library programs may submit the Request for Reconsideration form to the Library Director. Requests for review of programs will be considered in the same manner as requests for reconsideration of Library materials as outlined in the Library's Material Selection Policy.

#### **4007.9 Guidelines for Selling Books, Recordings, Art, or Other Items at Library Programs**

Program presenters who are authors or artists are invited to sell and sign books, music, movies, and art following Library programs upon prior approval by the Library Director.

### **4008 Patron Services**

In addition to circulating and non-circulating materials, the library offers additional services to the public. These include, but are not limited to, the following:

**Notary service:** The library has at least one notary on staff. Notary service is available by appointment for a nominal fee.

**Scanning, Printing, Copying and Faxing:** The library provides a self-service machine for public use. There are no per-document fees charged, though donations are gratefully accepted. Incoming fax service and international faxing are not permitted.

## **5000 Public Relations**

### **5001 Purpose Statement**

The library wishes to ensure that the public receives accurate and consistent information regarding library policies, procedures, programs and services. The library recognizes its responsibility to maintain continuing communication with current and potential users and establish a professional reputation as a non-partisan, non-sectarian, non-biased place for the sharing and exchange of ideas.

The library board and staff are involved in promoting positive public relations with the community. Open communication with the community is desired as long as it does not violate personal privacy or conflict with the library's legal standing.

To reach these goals, the following public relations policy has been developed.

## **5002 Media Contact**

Contacts initiated by the media are directed to the library director or to the appropriate department, e.g. juvenile/teen services, adult services, reference non-fiction.

Contacts to the newspapers, radio and TV stations are made by the person or persons in charge of the specific program, service or policy being addressed.

The library director is the official spokesperson for the library.

## **5003 Cooperation with Government or Interagency Units**

Personal and informational group contacts/cooperation are maintained with local government officials, service clubs and other community organizations by the library board trustees and library staff, in so far as such cooperation is compatible with the library's mission, legal and fiscal considerations and opportunity exists for staff involvement.

## **5004 Library Promotional Methods and Materials** (Updated July 2019)

The library uses a number of publicity choices when communicating with the public and media:

- Newsletter(s)
- Articles in the local newspapers
- The annual report
- Posters, flyers, bookmarks, and brochures
- In-library displays
- Web page
- Radio and TV
- Social Media

Presentations to community groups may also be made by the director and other staff as needed. The library may be represented at community events such as parades and fairs by library staff or the Friends group.

Promotional materials are the responsibility of the department sponsoring the activity and should follow library established guidelines and standards of quality.

## **5005 Emergency Situations**

In the event of an emergency, official statements to the public and media are handled by the library director or the assistant director in the absence of the director.

If it is necessary for the library staff to provide information to the public, the library director will inform staff what is to be said.

## **5006 Handling of Suggestions for Improvements or Compliments or Complaints**

People wishing to make a suggestion for improvement, to give a compliment or to register a complaint may do so at the circulation desk or through the library website. Serious complaints are responded to by the library director.

## **5007 Freedom of Information Act (FOIA) *(added June, 2015 and amended June, 2019)***

The library complies with and follows the Michigan Freedom of Information Act. All documentation appears in Appendix G.

## **5008 Social Media Policy *(adopted December, 2018)***

### **5008.1 Purpose**

It is intended to be helpful and informative, and we encourage questions, comments and posts; however, please be aware that they will be monitored and/or moderated for appropriateness according to guidelines established based on industry-wide best practices.

### **5008.2 Comments**

We will be courteous and professional in our postings and ask that others do the same. The library is not responsible for settling arguments between users, nor will a comment be removed solely at the request of a user. The library reserves the right to delete or censor comments with content that:

- Contains a personal attack, insult, racial slur, or any other derogatory term
- Is off-topic and unrelated to the original post
- Uses foul language or is sexually explicit, including “masked” profanity
- Promotes hate or discrimination of any kind

- Encourages illegal activity or violates any local, state or federal law
- Contains private or personal information
- Compromises the safety or security of the public
- Contains images, video or links to sites that do not conform to these guidelines

Repeated violations of the comment policy may cause the author to be permanently blocked from the library’s page(s).

### **5008.3 Availability**

We understand that social media is a 24/7 medium; however, our moderation capabilities are not. We

may not see every inappropriate comment right away. We trust in the maturity of our community to ignore personal attacks and negative speech or respond politely. If a user posts a comment that requires a response, it will be answered within two business days between 8 am and 5 pm.

The people shall be informed so that they fully participate in the democratic process.

The Library's policy with respect to FOIA requests is to comply with State law in all respects and to respond to FOIA requests in a consistent, fair, and even-handed manner regardless of who makes such a request.

The Library acknowledges that it has a legal obligation to disclose all nonexempt public records in its possession pursuant to a FOIA request. The Library acknowledges that sometimes it is necessary to invoke the exemptions identified under FOIA in order to ensure the effective operation of government and to protect the privacy of individuals.

The Library will protect the public's interest in disclosure, while balancing the requirement to withhold or redact portions of certain records. The Library's policy is to disclose public records consistent with and in compliance with State law.

### **Section 1: General Policies**

The Library Board of Trustees, acting pursuant to the authority at MCL 15.236, designates the Library Director as the FOIA Coordinator. He or she is authorized to designate other Library staff to act on his or her behalf to accept and process written requests for the Library's public records and approve denials.

If a request for a public record is received by facsimile or e-mail, the request is deemed to have been received on the following business day. If a request is sent by e-mail and delivered to a Library spam or junk-mail folder, the request is not deemed received until one day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note in the FOIA log both the date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator became aware of the request.

The FOIA Coordinator may, in his or her discretion, implement administrative rules, consistent with State law and these Procedures and Guidelines to administer the acceptance and processing of FOIA requests.

The Library is not obligated to create a new public record or make a compilation or summary of information which does not already exist. Neither the FOIA Coordinator nor other Library staff members are obligated to provide answers to questions contained in requests for public records or regarding the content of the records themselves.

The FOIA Coordinator shall keep a copy of all written requests for public records received by the Library on file for a period of at least one year.

## **Section 2: Requesting a Public Record**

A person requesting to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the White Lake Community Library must do so in writing. The request must sufficiently describe a public record so as to enable Library personnel to identify and find the requested public record.

A request must include the requester's name, address, and contact information. If the requester is not an individual, the request must include the name, address, and contact information of the individual acting as the requester's agent. The address must be written in compliance with United States Postal Service addressing standards. Contact information must include a valid telephone number or electronic mail address. This requirement does not apply to an individual who qualifies as indigent under Section 4(2)(a) of FOIA.

No specific form to submit a request for a public record is required. Written requests for public records may be submitted in person or by mail to the Library office. Requests may also be submitted electronically by facsimile and e-mail. Upon their receipt, requests for public records shall be promptly forwarded to the FOIA Coordinator for processing.

A person may request that public records be provided on non-paper physical media, electronically mailed or otherwise provided to him or her in lieu of paper copies. The Library will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.

A person may subscribe to future issues of public records that are created, issued or disseminated by the Library on a regular basis. A subscription is valid for up to 6 months and may be renewed by the subscriber.

A person who makes a verbal, non-written request for information believed to be available on the Library's website, where practicable and to the best ability of the employee receiving the request, shall be informed of the pertinent website address.

A person serving a sentence of imprisonment in a local, state or federal correctional facility is not entitled to submit a request for a public record. The FOIA Coordinator will deny all such requests.

## **Section 3: Processing a Request**

Unless otherwise agreed to in writing by the person making the request, within 5 business days of receipt of a FOIA request, the Library will issue a response. If a request is received by facsimile, e-mail or other electronic transmission, the request is deemed to have been received on the following business day. The Library will respond to the request in one of the following ways:

- Grant the request.
- Issue a written notice denying the request.
- Grant the request in part and issue a written notice denying in part the request.
- Issue a notice indicating that due to the nature of the request the Library needs an additional 10 business days to respond. Only one such extension is permitted.
- Issue a written notice indicating that the public record requested is available at no charge on the Library's website.

If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available. The FOIA Coordinator shall provide a detailed itemization of the allowable costs incurred to process the request to the person making the request. A copy of these Procedures and Guidelines shall be provided to the requestor with the response to a written request for public records, provided however, that if these Procedures and Guidelines, and its Written Public Summary are maintained on the Library's website, then a website link to those documents may be provided in lieu of providing paper copies.

If the cost of processing a FOIA request is \$50 or less, the requester will be notified of the amount due and where the documents can be obtained.

If based on a good faith calculation by the Library, the cost of processing a FOIA request is expected to exceed \$50, or if the requestor has not fully paid for a previously granted request, the Library will require a good-faith deposit before processing the request. In making the request for a good-faith deposit, the FOIA Coordinator shall provide the requestor with a detailed itemization of the allowable costs estimated to be incurred by the Library to process the request and also provide a best efforts estimate of a time frame it will take the Library to provide the records to the requestor. The best efforts estimate shall be nonbinding on the Library, but will be made in good faith and will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.

If the request is denied or denied in part, the FOIA Coordinator will issue a Notice of Denial which shall provide in the applicable circumstance:

- An explanation as to why a requested public record is exempt from disclosure; or
- A certificate that the requested record does not exist under the name or description provided by the requestor, or another name reasonably known by the Library; or
- An explanation or description of the public record or information within a public record that is separated or deleted from the public record; and
- An explanation of the person's right to submit an appeal of the denial to either the office of the Library Manager or seek judicial review in the Muskegon County Circuit Court; and
- An explanation of the right to receive attorneys' fees, costs, and disbursements as well actual or compensatory damages, and punitive damages of \$1,000, should they prevail in Circuit Court.
- The Notice of Denial shall be signed by the FOIA Coordinator.

If a request does not sufficiently describe a public record, the FOIA Coordinator may, in lieu of issuing a Notice of Denial indicating that the request is deficient, seek clarification or amendment of the request by the person making the request. Any clarification or amendment will be considered a new request subject to the timelines described in this Section.

The Library shall provide reasonable facilities and opportunities for persons to examine and inspect public records during normal business hours. The FOIA Coordinator is authorized to promulgate rules regulating the manner in which records may be viewed so as to protect Library records from loss, alteration, mutilation or destruction and to prevent excessive interference with normal Library operations.

The FOIA Coordinator shall, upon written request, furnish a certified copy of a public record at no additional cost to the person requesting the public record.

#### **Section 4: Fee Deposits**

If the fee estimate is expected to exceed \$50.00 based on a good-faith calculation by the Library, the requestor will be asked to provide a deposit not exceeding one-half of the total estimated fee.

If a request for public records is from a person who has not fully paid the Library for copies of public records made in fulfillment of a previously granted written request, the FOIA Coordinator will require a deposit of 100% of the estimated processing fee before beginning to search for a public record for any subsequent written request by that person when all of the following conditions exist:

- the final fee for the prior written request is not more than 105% of the estimated fee;
- the public records made available contained the information sought in the prior written request and remain in the Library's possession;
- the public records were made available to the individual, subject to payment, within the time frame estimated by the Library to provide the records;
- 90 days have passed since the FOIA Coordinator notified the individual in writing that the public records were available for pickup or mailing;
- the individual is unable to show proof of prior payment to the Library; and
- the FOIA Coordinator has calculated a detailed itemization that is the basis for the current written request's increased estimated fee deposit.

The FOIA Coordinator will not require an increased estimated fee deposit if any of the following apply:

- the person making the request is able to show proof of prior payment in full to the Library;
- the Library is subsequently paid in full for the applicable prior written request; or
- 365 days have passed since the person made the request for which full payment was not remitted to the Library.

When a deposit is required, the library will provide a written notice of deposit to the requester. The notice of deposit will include the date by which the deposit must be received, which is 45 days from the date the requester received the notice. The notice of deposit is considered received by the requester 3 days after it is sent, regardless of the means of transmission. If the library has not received the deposit by the due date, and the requester has not filed an appeal of the deposit amount, the request shall be considered abandoned by the requester.

#### **Section 5: Calculation of Fees**

A fee will not be charged for the cost of search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the Library because of the nature of the request in the particular instance, and the Library specifically identifies the nature of the unreasonably high costs.

The following factors shall be used to determine an unreasonably high cost to the Library:

- The particular request incurs costs greater than incurred from the typical or usual request received by the Library.
- Volume of the public record requested.
- Amount of time spent to search for, examine, review and separate exempt from non-exempt information in the record requested.

- Whether public records from more than one Library department or various Library offices is necessary to respond to the request.
- The available staffing to respond to the request.
- Any other similar factors identified by the FOIA Coordinator in responding to the particular request.

The Library may charge for the following costs associated with processing a FOIA request:

- Labor costs directly associated with searching for, locating and examining a requested public record.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed.
- The actual cost of computer discs, computer tapes or other digital or similar media.
- The cost of duplication of publication, not including labor, of paper copies of public records.
- The cost of labor associated with duplication or publication, including making paper copies, making digital copies or transferring digital public records to non-paper physical media or through the Internet or other electronic means.
- The actual cost of mailing or sending a public record.

Labor costs will be calculated based on the following requirements:

- All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down†.
- Labor costs will be charged at the hourly wage of the lowest-paid Library employee capable of doing the work in the specific fee category, regardless of who actually performs work.‡
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. The Library may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.
- Overtime wages will not be included in labor costs until agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.

The cost to provide records on non-paper physical media when so requested will be based on the following requirements:

- Computer disks, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will only be assessed if the Library has the technological capability necessary to provide the public record in the requested non-paper physical media format.
- In order to ensure the integrity and security of the Library's technological infrastructure, the Library will procure any requested non-paper media and will not accept non-paper media from the requestor.

The cost to provide paper copies of records will be based on the following requirements:

- Paper copies of public records made on standard letter (8 1/2 x 11) or legal (8 1/2 x 14) sized paper will not exceed \$.10 per sheet of paper. Copies for nonstandard sized sheets of paper will reflect the actual cost of reproduction.
- The Library may provide records using double-sided printing, if cost-saving and available.

The cost to mail records to a requestor will be based on the following requirements:

- The actual cost to mail public records using a reasonably economical and justified means.
- The Library may charge for the least expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless requested.

---

† The cost of labor directly associated with duplication, publication or transferring records to non-paper physical media can be charged in time increments of the public body's choosing with all partial increments rounded down.

‡ If using contract or outside labor to separate and delete exempt material from non-exempt material, the public body must clearly note the name of person or firm who does the work and the total labor cost may not exceed an amount 6 times the state minimum hourly wage, which is currently \$8.15.

If the FOIA Coordinator does not respond to a written request in a timely manner, the following shall be required:

- Reduce the labor costs by 5% for each day the Library exceeds the time permitted under FOIA up to a 50% maximum reduction, if any of the following applies:
  - The late response was willful and intentional.
  - The written request, within the first 250 words of the body of a letter facsimile, e-mail or e-mail attachment, conveyed a request for information
  - The written request included the words, characters, or abbreviations for "freedom of information", "information", "FOIA", "copy" or a recognizable misspelling of such, or legal code reference to MCL 15. 231 et seq or 1976 Public Act 442 on the front of an envelope or in the subject line of an e-mail, letter or facsimile cover page.
- Fully note the charge reduction in the Detailed Itemization of Costs Form.

### **Section 6: Waiver of Fees**

The cost of the search for and copying of a public record may be waived or reduced if, in the sole judgment of the FOIA Coordinator, a waiver or reduced fee is in the public interest because such can be considered as primarily benefitting the general public.

The FOIA Coordinator will waive the first \$20.00 of the processing fee for a request if the person requesting a public record submits an affidavit stating that they are:

- indigent and receiving specific public assistance; or
- if not receiving public assistance stating facts demonstrating an inability to pay because of indigency.

An individual is not eligible to receive the waiver if:

- the requestor has previously received discounted copies of public records from the Library twice during the calendar year; or
- the requestor requests information in connection with other persons who are offering or providing payment to make the request.

An affidavit is a sworn statement. The FOIA Coordinator may make a Fee Waiver Affidavit Form available for use by the public.

A nonprofit organization designated to by the State to carry out activities under subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 200 and the Protection and Advocacy for Individuals with Mental Illness Act, or their successors, if the request meets all of the following requirements:

- is made directly on behalf of the organization or its clients;
- is made for a reason wholly consistent with the mission and provisions of those laws under Section 931 of the Mental Health Code, MCL 330.1931;
- is accompanied by documentation of its designation by the State.

### **Section 7: Appeal of a Denial of a Public Record**

When a requestor believes that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, he or she may file an appeal of the denial with the Library Board, as the governing body of the Library. The appeal must be in writing, specifically state the word "appeal" and identify the reason or reasons the requestor is seeking a reversal of the denial. The Library Board shall designate the FOIA Coordinator to receive the written appeal and to immediately notify the head of the Library Board of its receipt.

Under section 10(3) of the FOIA, MCL 15.240(3), the Library Board is not considered to have received a written appeal until the first regularly scheduled meeting of the Library Board following submission of the written appeal.

Should the Library Board decide to consult with the Library's legal counsel on the appeal, it must comply with the time periods set forth in the FOIA for written responses as well as the provisions of the Michigan Open Meetings Act, 1976 PA 267, MCL 15.261 *et seq.* The Library board will respond in writing by:

- reversing the disclosure denial;
- upholding the disclosure denial; or
- reverse the disclosure denial in part and uphold the disclosure denial in part.
- Under unusual circumstances, such as the need to examine or review a voluminous amount of separate and distinct public records or the need to collect the requested records from numerous facilities located apart from the office receiving or processing the request, the Library Board may issue not more than 1 notice of extension for not more than 10 business days to respond to the appeal.

Whether or not a requestor submitted an appeal of a denial to the Library Board, he or she may file a civil action in Muskegon County Circuit Court within 180 days after the Library Board's final determination to deny the request.

If the court determines that the public record is not exempt from disclosure, the court will award the appellant reasonable attorneys' fees, cost and disbursements. If the court determines that the appellant prevails only in part, the court in its discretion may award all or an appropriate portion of reasonable attorneys' fees, costs and disbursements.

If the court determines that the Library arbitrarily and capriciously violated the FOIA by refusing or delaying the disclosure of copies of a public record, it shall award the appellant punitive damages in the \$1,000.

### **Section 8: Conflict with Prior FOIA Policies and Procedures; Effective Date**

To the extent that these Procedures and Guidelines conflict with previous FOIA policies promulgated by the FOIA Coordinator or the Library Board, these Procedures and Guidelines are controlling. To the extent that any administrative rule promulgated by the FOIA Coordinator

subsequent to the adoption of this resolution is found to be in conflict with any previous policy promulgated by the FOIA Coordinator or the Library Board, the administrative rule promulgated by the FOIA Board is controlling.

To the extent that any provision of these Procedures and Guidelines or any administrative rule promulgated by the FOIA Coordinator pertaining to the release of public records is found to be in conflict with any State statute, the applicable statute shall control. The FOIA Coordinator is authorized to modify this policy and all previous policies adopted by the FOIA Coordinator or the Library Board, and to adopt such administrative rules as he or she may deem necessary, to facilitate the legal review and processing of requests for public records made pursuant to Michigan's FOIA statute, provided that such modifications and rules are consistent with State law. The FOIA Coordinator shall inform the Library Board of any change to these Policies and Guidelines.

These FOIA Policies and Guidelines became effective July 1, 2015 and were updated in 2019.

# **WHITE LAKE COMMUNITY LIBRARY**

## **WRITTEN PUBLIC SUMMARY OF FOIA PROCEDURES AND GUIDELINES**

---

Consistent with Public Act 563 of 2014 and Public Act 523 of 2018 amending the Michigan Freedom of Information Act (FOIA), the following is the Written Public Summary of the White Lake Community Library's FOIA Procedures and Guidelines relevant to the general public.

### **1. How do I submit a FOIA request to the White Lake Community Library?**

- Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the White Lake Community Library (Library) must be submitted in writing.
- A request must sufficiently describe a public record so as to enable the Library to find it.
- A request must include the requester's name, address, and contact information.
  - If the requester is not an individual, the request must include the name, address, and contact information of the individual acting as the requester's agent.
  - The address must be written in compliance with United States Postal Service addressing standards.
  - Contact information must include a valid telephone number or electronic mail address.
  - This requirement does not apply to an individual who qualifies as indigent under Section 4(2)(a) of FOIA.
- No specific form to submit a written request is required.
- Written requests can be made in person by delivery to the Library in person or by mail to:  
*White Lake Community Library  
Attn: FOIA Coordinator  
3900 White Lake Dr.  
Whitehall, MI 49461*
- A request may also be submitted by e-mail. To ensure a prompt response, e-mail requests should contain the term "**FOIA**" or "**FOIA Request**" in the subject line and be sent to [info@wclib.org](mailto:info@wclib.org).

*Note: If you are serving a sentence of imprisonment in a local, state or federal correctional facility you are not entitled to submit a request for a public record.*

### **2. What kind of response can I expect to my request?**

- Within 5 business days of receipt of a FOIA request, the Library will issue a response. If a request is received by facsimile or e-mail the request is deemed to have been received on the following business day. The Library will respond to your request in one of the following ways:
  - Grant the request.
  - Issue a written notice denying the request.
  - Grant the request in part and issue a written notice denying in part the request.
  - Issue a notice indicating that due to the nature of the request the Library needs an additional 10 business days to respond.
  - Issue a written notice indicating that the public record requested is available at no charge on the Library's website.
- If the request is granted, or granted in part, the Library will ask that payment be made for the allowable fees associated with responding to the request before the public record

is made available. If the cost of processing the request is expected to exceed \$50, or if you have not paid for a previously granted request, the Library will require a deposit before processing the request.

### **3. What are the Library's fee deposit requirements?**

- If the Library has made a good faith calculation that the total fee for processing the request exceeds \$50.00, the Library will require that you provide a deposit in the amount of 50% of the total estimated fee. When the Library requests the deposit, it will provide you a non-binding best efforts estimate of how long it will take to process the request following receipt by the Library of your deposit.
- If the Library receives a request from a person who has not paid the Library for copies of public records made in fulfillment of a previously granted written request, the Library will require a deposit of 100% of the estimated processing fee before it begins to search for the public record for any subsequent written request when all of the following conditions exist:
  - the final fee for the prior written request is not more than 105% of the estimated fee;
  - the public records made available contained the information sought in the prior written request and remain in the Library's possession;
  - the public records were made available to the individual, subject to payment, within the time frame estimated by the Library to provide the records;
  - 90 days have passed since the Library notified the individual in writing that the public records were available for pickup or mailing;
  - the individual is unable to show proof of prior payment to the Library; and
  - the Library has calculated an estimated detailed itemization that is the basis for the current written request's increased fee deposit.
- The Library will not require the 100% estimated fee deposit if any of the following apply:
  - the person making the request is able to show proof of prior payment in full to the Library;
  - the Library is subsequently paid in full for all applicable prior written requests; or
  - 365 days have passed since the person made the request for which full payment was not remitted to the Library.
- When a deposit is required:
  - The library will provide a written notice of deposit to the requester.
  - The notice will include the date by which the deposit must be received, which is 45 days from the date the requester received the notice.
  - The notice of deposit is considered received by the requester 3 days after it is sent, regardless of the means of transmission.
  - If the library has not received the deposit by the due date, and the requester has not filed an appeal of the deposit amount, the request shall be considered abandoned by the requester.

### **4. How does the Library calculate FOIA processing fees?**

- A fee will not be charged for the cost of search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would

result in unreasonably high costs to the Library because of the nature of the request in the particular instance, and the Library specifically identifies the nature of the unreasonably high costs.

- The Michigan FOIA statute permits the Library to assess and collect a fee for six designated processing components. The Library may charge for the following costs associated with processing a request:
  - Labor costs associated with searching for, locating and examining a requested public record.
  - Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed.
  - The cost of computer discs, computer tapes or other digital or similar media when the requester asks for records in non-paper physical media.
  - The cost of duplication or publication, not including labor, of paper copies of public records.
  - Labor costs associated with duplication or publication, which includes making paper copies, making digital copies, or transferring digital public records to nonpaper physical media or through the Internet.
  - The cost to mail or send a public record to a requestor.

#### Labor Costs

- All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down.
- Labor costs will be charged at the hourly wage of the lowest-paid Library employee capable of doing the work in the specific fee category, regardless of who actually performs work.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits.
- Non-paper Physical Media
  - The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
  - This cost will only be assessed if the Library has the technological capability necessary to provide the public record in the requested non-paper physical media format.
- Paper Copies
  - Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$.10 per sheet of paper. Copies for non-standard sized sheets of paper will reflect the actual cost of reproduction.
  - The Library may provide records using double-sided printing, if cost-saving and available.
- Mailing Costs
  - The cost to mail public records will use a reasonably economical and justified means.
  - The Library may charge for the least expensive form of postal delivery confirmation.
  - No cost will be made for expedited shipping or insurance unless requested.

#### **5. How do I qualify for a reduction of the processing fees?**

- The Library may waive or reduce the fee associated with a request when the Library determines that to do so is in the public interest because release of the information is considered as primarily benefitting the general public.
- The Library will waive the first \$20.00 of the processing fee for a request if you submit an affidavit stating that you are:
  - indigent and receiving specific public assistance; or
  - if not receiving public assistance, stating facts demonstrating an inability to pay because of indigency.
- You are not eligible to receive the \$20.00 waiver if you:
  - have previously received discounted copies of public records from the Library twice during the calendar year; or
  - are requesting information on behalf of other persons who are offering or providing payment to you to make the request.
- The Library will waive the fee for an nonprofit organization which meets all of the following conditions:
  - the organization is designated by the State under federal law to carry out activities under the Developmental Disabilities Assistance and Bill of Rights Act of 2000 and the Protection and Advocacy for Individuals with Mental Illness Act;
  - the request is made directly on behalf of the organization or its clients;
  - the request is made for a reason wholly consistent with the provisions of federal law under Section 931 of the Mental Health Code; and
  - the request is accompanied by documentation of the organization's designation by the State

## 6. How may I challenge the denial of a public record or an excessive fee?

- Appeal of a Denial of a Public Record  
 If you believe that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, you may file an appeal of the denial with the Library Board, as the governing body of the Library. The appeal must be in writing, specifically state the word "**appeal**" and identify the reason or reasons you are seeking a reversal of the denial. The Library Board shall designate the FOIA Coordinator to receive the written appeal and to immediately notify the Library Board President of its receipt.

The Library Board is not considered to have received a written appeal until the first regularly scheduled meeting of the Library Board following submission of the written appeal. Within 10 business days of receiving the appeal the Library Board President will respond in writing by:

- reversing the disclosure denial;
- upholding the disclosure denial; or
- reverse the disclosure denial in part and uphold the disclosure denial in part.

Whether or not you submitted an appeal of a denial to the Library Board, you may file a civil action in Muskegon County Circuit Court within 180 days after the Library Board's final determination to deny your request. Should you prevail in the civil action, the court will award you reasonable attorneys' fees, costs and disbursements. If the court determines that the Library acted arbitrarily and capriciously in refusing to disclose or provide a public record, the court shall award you damages in the amount of \$1000.00

- Appeal of an Excessive FOIA Processing Fee

If you believe that the fee charged by the Library to process your FOIA request exceeds the amount permitted by state law, you must first submit a written appeal for a fee reduction to the Library Board. The appeal must be in writing, specifically stating the word "**appeal**" and identify how the required fee exceeds the amount permitted.

The Library Board is not considered to have received a written appeal until the first regularly scheduled meeting of the Library Board following submission of the written appeal. Within 10 business days after receiving the appeal, the Library Board will respond in writing by:

- waiving the fee;
- reducing the fee and issue a written determination indicating the specific basis that supports the remaining fee;
- upholding the fee and issue a written determination indicating the specific basis that supports the required fee; or
- issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Library Board President will respond to the written appeal.

Within 45 days after receiving notice of the Library Board's determination of the processing fee appeal, you may commence a civil action in Muskegon County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys' fees, costs and disbursements. If the court determines that the Library acted arbitrarily and capriciously by charging an excessive fee, court may also award you punitive damages in the amount of \$500.00.

\*Note: Labor costs for search, location, examination and redaction (categories 1 and 2 on the itemization form) may not be charged unless the failure to charge a fee would result in unreasonably high costs to the public body because of the nature of the request in the particular instance, and the public body specifically identifies the nature of these unreasonably high costs. The Court of Appeals has interpreted this provision to require that the determination be made relative to the usual or typical costs incurred by the public body in responding to FOIA requests. The key factor in determining whether the costs are "unreasonably high" is the extent to which the particular request differs from the usual request. *Bloch v Davison Cmty Schools*, (Mich.App. Apr. 26, 2011), 2011 WL 1564645.
