

Adult Summer Reading Program

2020

Thank you for joining this year's summer reading fun!
Here's what you need to know:

We have a few different ways to track your reading this year - online AND on paper! Whether you choose to try both or only choose one, you will be able to enter your name into the drawing at the end of the summer for prizes through both platforms. **If you choose to sign up online and on paper, please do NOT double dip and use the same book title to enter your name for prizes on both platforms.**

ONLINE

- This year our online option is a program called READSquared. You can sign up on your computer, tablet, or mobile device on our READSquared page. You can download the app on a device or visit <http://whitelake.readsquared.com/> on your computer.
- Once you have registered, use READSquared to log the number of books you read. One finished book equals one entry into the grand prize drawings! Be sure to check out the extra games and fun missions available on READSquared!
- If you have any questions about READSquared, please call the library at 231-894-9531 or email our Youth Program Coordinator, Hannah, at hmoulds@wlclib.org.

ON PAPER

- Included in this packet are two "Summer Reads" BINGO sheets with different challenges inside each Bingo square. Write the book titles inside each square you complete in order to earn entries into the grand prize drawings. The more you read, the higher points you can score!

Thank you for choosing to read with us this summer! Use the hashtag #WhiteLakeReads on social media to see what other locals are reading all summer long!
