

JULY 2020 summer fun

SUMMERTIME ACTIVITIES FOR GRADES 1-3

 Soak Up the Sun SUNDAY	 Make Something MONDAY	 Try It TUESDAY	 Wondering WEDNESDAY	 30-Minute THURSDAY	 Family Fun FRIDAY	 Kid Corner Videos SATURDAY
			1 Spray sunscreen on your hand and make a handprint on dark paper. Set the paper in the sun for 2 hours and see what happens.	2 Play a game of hide-and-seek with friends.	3  Put on some music and teach your parents a new dance move.	4  YouTube STEM Challenge: Engineer a Coin Coaster
5  Pick up trash around your neighborhood.	6 Make fun thumbprint art with a stamp pad and a piece of paper.	7  Listen to your favorite song and write all the rhyming words you hear.	8 Pour heavy whipping cream into a jar with a lid. Shake it until it turns into butter!	9  Read a book aloud in a silly voice.	10 Celebrate Teddy Bear Picnic Day! Enjoy a picnic with your favorite teddy bear!	11  YouTube STEM Challenge: Build a Bridge
12  Sit silently outside and write down all the sounds you hear.	13 Make ice towers! Freeze water in ice cube trays and use them as blocks.	14  Try a new fruit or vegetable.	15  Place one ice cube outside and one inside. How long does it take each one to melt?	16  Make up a secret handshake with a friend or family member.	17 Form a story circle and have each family member add to the tale.	18  YouTube STEM Challenge: Design & Build a Paddleboat
19 Celebrate National Ice Cream Day! Enjoy your favorite frozen treat outside.	20  Use paper towel rolls, scissors, and tape to create a marble run.	21 Build a fort.	22 Mix warm water and salt in a cup. Set the cup on black paper in a warm outdoor area and observe daily until the water is gone.	23  Write a different ending to your favorite movie.	24  Make a treat to share with your neighbors.	25  YouTube Science Discover: Recycle Your Way to STEAM
26  Plan an outdoor picnic and help prepare the food!	27  Draw or build a model of the ultimate swimming pool!	28 Make pancakes and cut them into different fractions. Try halves, fourths, and thirds.	29  Pour milk in a shallow dish. Add drops of food coloring. Then add a drop of dish soap and see what happens.	30 Celebrate the International Day of Friendship! Create a gift for a special friend.	31 Look at the stars together. What constellations do you see? Try making up your own constellations.	Lakeshore®
