# **Summer Reading Program** 2020

**Thank you for joining this year's summer reading fun!  
Here's what parents and kids need to know:**

- To track your reading, our program will be completely online. You can create your account and start logging points on READsquared at:  
<http://whitelake.readsquared.com/>
- If you have any questions about your child's READsquared account, you can email our Youth Program Coordinator, Hannah, at [hmoulds@wlclib.org](mailto:hmoulds@wlclib.org) or call the library at 231-894-9531.
- Wondering about programs? The library is thrilled to be offering some virtual programs this summer! Check out the calendar included this packet. New events may be added throughout the summer, so be sure to check our website, Facebook, Instagram, or newsletters for updates.
- We are still giving away prizes this year! Winners will be drawn at random. As long as you sign up on our READsquared page, you will be automatically entered to win from a selection of awesome prizes from local businesses. Good luck!
- SRP may look a little different this year, but the most important thing to us is to promote a love for reading. Thank you for choosing to READ with us this summer!
