

## Lakeland Library Cooperative Shared ILS Text Messaging Service

### To sign up for text notices using your cell phone -

Please note: The library doesn't charge a fee for this service, but your cell phone plan's regular text messaging rates still apply. Check with your cell phone service provider to see the cost of text messages in your service plan.

1. Enter Shoutbomb (844) 225-9466 as a contact in your phone (this is optional).
2. Text the word SIGNUP to the new contact (844) 225-9466.  
>> It should reply and ask for a library card number.
3. Text your library card number.  
>> It should reply and ask for your PIN number.
4. Text your PIN number.  
>> It should reply with a confirmation.

TIP: You can combine steps 2, 3, and 4 into a single text using a plus sign between parts. Example: SIGNUP+29093123456789+1111.  
(Use YOUR numbers instead of the those in the example, of course.)
